A fresh new look to our website.

A lot has changed in the six years since we first launched our current website. The new website is restructured to improve our ability to update and manage the material. Mostly this is in the background, but you'll see a fresh look and continuing enhancements. Watch for this change on or after November 22.

NOTE:

The Merrimack24 Online Banking links are located in the same area and lead you to the same reliable Merrimack24 Online Banking that you're accustomed to.

The screenshot shows the website's header with the Merrimack County Savings Bank logo on the left and a 'QUICK ACCESS MERRIMACK24 ONLINE BANKING' menu on the right. The menu includes links for Personal Online Banking, Business Online Banking, and Cash Management. Below the header is a navigation bar with links for About Us, Personal Banking, Business Center, Mortgage Center, Wealth Management, Rates, and Contact Us. The main content area is divided into three columns: 'News & Events' on the left, 'Education Center' in the middle, and 'Announcements' on the right. The 'News & Events' section features an article about a ceremony. The 'Education Center' section lists two articles about deposit insurance and subprime mortgages. The 'Announcements' section includes a notice about credit reports and a '9-Month Fall CD Special' with a 3.00% Annual Percentage Yield.
